

REMARKS

The claim amendments made on October 31, 2003, are repeated above, and the "Listing of Claims" now includes the canceled claims 1-22. There are no "withdrawn" claims which remain in the application, i.e. there are only canceled claims 1-22, and claims 23 and 24 for examination. The text of canceled claims need not be presented.

Applicants respectfully await the results of a first examination on the merits.

Respectfully submitted,
